The Workforce Development and Education section offers an academic degree program emphasizing adult learning, career and technical education, human resource development, and workforce development policy; conducts research on topics in these areas; and provides professional development opportunities to meet the needs of individuals, organizations and government agencies. The WDE section values scholarly research and quality instruction as a means to model and improve theory and professional practice, nationally and internationally.

About the Ohio State specialization in Career and Technical Education

Description of Alternative Resident Education License for Career-Technical Education Program

- The program consists of 27 semester hours of coursework, located at OSU’s Columbus campus.
- New teachers hired in the summer take a three-week licensure clinic before teaching begins.
- Teachers are then mentored by a teacher educator during their first year of teaching.
- Additional courses may also be taken during the first year.
- Teachers complete the Ohio Resident Educator Program during their first four years of teaching.
- All requirements must be completed by the end of their fourth year to be eligible for the five-year professional license.

Associate of Arts in General Studies with a Specialization in Career and Technical Education

60 Hours of Curriculum Content

The following Career-Technical courses will be completed at Ohio State University’s Columbus campus. Upon completion of these Career-Technical courses and the Ohio Resident Educator Program, students will receive their 5-year professional license in Career and Technical Education.

Total Core Curriculum: 33 hours
Free Electives: 27
Total: 60

*Algebra proficiency is required for the degree and may be demonstrated by placed at Level R on the OSU Math Placement Exam, or by completing Math 1075.

Remedial courses such as Math 1050, 1075, and English 1109 satisfy basic proficiency requirements but do not count as hours towards the minimum degree requirement.

Repeated courses only count once.

Career-Technical Licensure Courses: 27
General Education Courses: 33
Total Semester Hours: 60
